Caleb: So my anchor apparently went to high school with the Bush twins.
Caleb: She and Jenna didn't get along.
Caleb: JB spilled the beans to the entire school about a private party my anchor was throwing at her parents' lake house.
Caleb: So my anchor set up two homemade fifteen-foot "Gore/Lieberman 2000" signs in the driveway that night.
Caleb: Which, I think, shows some strength of character.
me: indeed
me: he should get a presidential medal of honor like Tenet
Caleb: Hot blonde, bro.
me: http://pastebin.com/XWVqYBtN
me: they hacked Assad's office
me: got these e-mails from PR minister
Caleb: Saw that, bro.
me: see at top when ABC asks her about her quote to Kuwait times
me: we got her cell number too
Caleb: Is she single?
me: maybe
Caleb: Blockbuster stuff here.
Caleb: Looks as if things are getting quite... Syria-ous?
Caleb: Wow, this is really some degenerate bullshit.
me: yeah
me: it's like the worst response to anything ever

Caleb: Of Boston.
Caleb: Gave $10,000 to the Democratic Congressional Campaign Committee in 2010.
Caleb: $20,000 in 2009.
Caleb: http://www.city-data.com/elec2/10/elec-BOSTON-MA-10-part1.html

Caleb: http://fundrace.huffingtonpost.com/neighbors.php/neighbors.php?type=name&lname=Sager&fname=Robert
Caleb: Ctrl-F your pastebin, faggot.

me: oic
Caleb: The one with the published Boston-area phone number.
Caleb: That I am calling right now.
Caleb: "Sorry, that mailbox is full."
me: tee hee
me: what you should really do
me: is look into some of these USMC types included in the "LOL RUB PIGS BLOOD" e-mails to puckett & Faraj
me: or watch Nixon
Caleb: Look, it's not breaking news that Marines are bloodlusty nuts.
Caleb: And Anthony Hopkins is not a passable Nixon.
me: no, but we got Duncan Hunter and Allen West in these other e-mails
Caleb: Oh shit!
Caleb: Allen West said something irrevocably insane?
Caleb: STOP THE PRESSES
me: and Hopkins does a heart-stirring Nixon that brings the man back to life - not as the politician we thought we knew, but as the man that Nixon himself didn't suspect
me: no, Allen West and Duncan Hunter secretly work with the firm and 2nd in command at USMC
me: to try to make Haditha case go away
me: and we have no idea what else is in thse
Caleb: Maybe democracy isn't quite working out for the people of Florida.
me: you should download the whole thing
me: TAKE THAT BACK
me: and then search keywords via your little Windows function when they're all in a single folder
me: try child porn
Caleb: Meanwhile
Caleb: pfft

Caleb: I'm trying to rent out my place for SXSW.
me: gay
me: where you gonna stay?
Caleb: In my car, if I have to.
me: jesus
Caleb: These Hollywood guys pay, like, 400 dollars a night for semi-central digs.
me: I'd imagine so
Caleb: I figure, I'll live on the road for a few days, sleep on a few couches, and then bankroll your next Anon movie.
me: Gee!
me: Now YOU sound like one of those Hollywood guys!
Caleb: Oy vey!
me: oh
me: http://andrewsullivan.thedailybeast.com/2012/02/hathos-alert.html

me: the party line's been shifting too fast for even the regulars to figure it out
me: this is causing some problems
Caleb: Oh yeah.
Caleb: I saw an item where EE said he was gonna finally officially endorse.
Caleb: That was before Tuesday.
Caleb: Who'd he pick?
Caleb: Was it Santorum?
me: we need restate accounts, now
me: http://www.redstate.com/leon_h_wolf/2012/02/08/what-the-heck-is-wrong-with-mitt-romney/

me: Michael Medved is a dud
me: Who cares about this clown? Does anyone listen to him anymore? How many stations carry this clown. Rush makes this fool look like Bozo from the circus.
